

## INSTRUCTIONS FOR KIT #4005800 4" KIT CAT-BACK KIT #

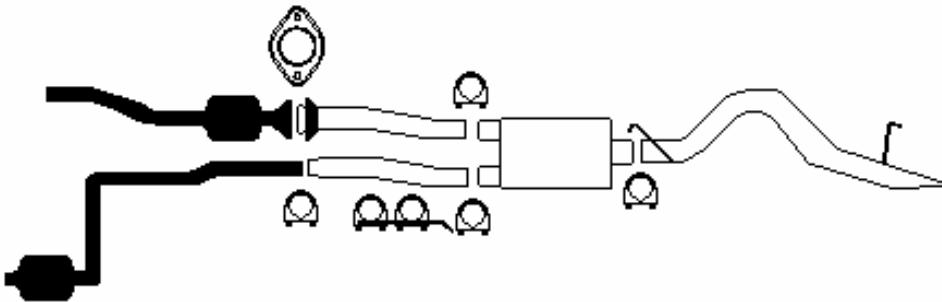

FITS: 2003-2005 Hummer H2 4WD w/6.0L

**NOTE:** DO NOT TIGHTEN ANY CLAMPS OR BOLTS UNTIL THE LAST STEP! READ THESE INSTRUCTIONS FULLY AND THOROUGHLY BEFORE YOU BEGIN.

- 1) Remove the exhaust after the converters. You will need to remove the exhaust at the flange on the passenger side, and the clamp on the driver side. You may need to cut the system in a couple of pieces to make it easier to remove
- 2) Install the driver side extension pipe to the driver side converter pipe using the 2-1/2" clamp.
- 3) Install the passenger side extension pipe to the passenger side converter pipe. Slide the sf36118 flange over the passenger side extension pipe, and use the included hardware to connect the two flanges together.
- 4) Install the 3" dual hanger clamp to the front extension pipes. The extension pipes will need to be rotated for clearance and to fit the hanger clamp. Connect the wire portion of the hanger clamp to the o.e. mount along side the passenger side pipe.
- 5) Install the muffler to the front extension pipes using the 3" clamps.
- 6) Install the tail pipe to the muffler using the 4" clamp.
- 7) Attach the wire hangers on the tail pipe to the o.e. mounts above, for both hangers in front of and rearward of the rear axle..
- 8) Tighten all clamps, and the nuts at the flange, and check for clearance of the body, frame, chassis and suspension members, and of the brake and fuel lines.

### HARDWARE KIT FOR KIT #4005800, :

- |                                   |                                |
|-----------------------------------|--------------------------------|
| 1) LEFT EXTENSION PIPE #4005801   | 1) 3" DUAL HANGER CLAMP # 2806 |
| 1) RIGHT EXTENSION PIPE # 4005802 | 1) 2-1/2" CLAMP                |
| 1) MUFFLER #58546                 | 2) 3" CLAMPS #MC7300           |
